**2021, GYPSY VANNER X HALFLINGER, SORREL, MARE**

**NOTES:** Trained by Morgan Gust. Rumor is a 2021 sorrel Gypsy Vanner/Haffinger cross mare. This adorable girl cannot go anywhere without catching people's attention. Her eagerness to learn and work has been proven by tackling new maneuvers like a broke horse. Her willingness to succeed is demonstrated during each ride. She is very personable and thrives with attention. She works great in the indoor arena and adores outdoor rides. There is no question this girl will be the perfect horse for a family willing to give her lots of love and attention.
