NOTES: Trained by Leah Johnson. This stout bay gelding is as sweet as he is showy. Smart as a whip, he strives to please and is eager to learn. His softness, flashy movement, and aptitude for lateral work make him a standout candidate for the ranch or reining pen but he has the trainability to thrive in any discipline. Good stall manners, patient for grooming and bathing, and polite in a herd setting. He would be a phenomenal addition to any show roster.
