Huckleberry

Quarter Horse
Mare

NOTES: Trained by Indy Walstrom. This adorable blue-roan gypsy cross is as reliable as she is cute. She loves people, pats, and all the affection one can give! Huckleberry has a gentle deminer and a comfortable ride. She picks up her feet very well and is content during hoof-picking. She does not hesitate with challenges and new objects. She's a happy camper and easy to work with. This horse has a great start to being a child's horse someday!
