NOTES: Trained by Danielle Martin: This gorgeous 2022 buckskin gelding has beautiful, floaty and smooth movement, with big strides and reach. He is a pleasurable ride at all three gaits, more slow than go but he can extend his gaits and slow it down upon request. This makes him a great candidate for an all around pleasure horse prospect for hunter pleasure, equitation, western pleasure and horsemanship. He can be ridden inside and outside. He is quiet for tacking, clipping, and bathing.
