Jasper

22024 Sorrel Gypsy Vanner Draft Cross Gelding

Jasper

Topaz	Celtic Equinox	Blue Johnny
		The Church Mare
	Midnight Lace	SD Black Jack
		Kinsey

Notes: Trained by Maddy Chandler, Jasper is a standout Gypsy/Draft cross with eye-catching color, a big, sturdy build, and all the feather and shine you could want. He pairs that look with a great mind—quiet, soft, responsive, and highly trainable. Consistent and willing every day, Jasper brings a strong work ethic and a true desire to please. The kind that turns heads and backs it up with ability and mind.
