NOTES: Trained by Jenna Schultz. This 2yr old palomino mare has an eye-catching look to her and a sweet and personable disposition, both of which get her lots of attention in the barn. She has a strong and sturdy frame to her, she's a fast learner, and will give you a smooth ride. There's not too many things you can throw at this mare that her sensible head won't be able to handle. All of these attributes will take this little mare far in whatever direction you decide to go with her. Please note: This mare has exhibited some mild lameness late in the semester.
