NOTES: Consigned by Nathan O'Connor. Snow White has been my children's personal riding pony for the last 4 years. She has been shown at local WSCA Shows, Northern Stock Horse Association Shows, hauled to many family trail rides, and been ridden around my farm for hundreds of hours. She is safe for any level of rider, 100% sound and has no bad habits. My kids have moved on to riding full size horses, so this is a very rare opportunity to purchase an outstanding pony. My kids will miss her greatly, but she is too nice to be standing in the pasture.
