NOTES: This big 17.1 hand gelding rides in both English and western tack. He rides around nicely at a walk, trot and canter. His correct build allows for his new owner to choose any job for him to excel in.

2003 Grade Chestnut Gelding

NOTES: Wilkinson is a favorite of the English riding students and team because of his smooth stride and big jump. He's happiest when he's jumping, and his positive attitude gives his riders confidence when learning how to jump. Wilkie is also great for patterns and railwork and can be enjoyed by a multitude of different rider types.
