NOTES: Trained by Rachel Simonson. This cute buckskin gelding has great conformation, a solid build, and a kind eye. Great-minded, very willing, and moves through gaits smoothly. This gelding is soft in the face, easy to train, and wants to work, as well as having a desire to have a big stop. He would make a good prospect as a rope horse, ranch horse, or in the barrel pen. Put this gelding to work and he will excel.
