NOTES: Trained by Shaylee Noel. This gorgeous, golden palomino gelding has the ability to go in many directions but with these bloodlines, he has the potential to be a premier barrel horse prospect. He is quick-footed, athletic and fast. He would excel in the barrel arena or put him on cattle and watch him succeed like his sire. He already stands 15 hands and has great confirmation. He is strong, stout and will be big enough to make a head horse. F&R Futurity KS
