**NOTES:** Leonard has been used in riding classes here at UWRF for years and is always a class favorite. He is extremely easy to get along with and is great both on the trails and in the arena. He has a babysitter personality and would be an excellent horse for the whole family.

**NOTES:** Tim has been kid tested and approved, having spent the past summer with a little girl. He has been an integral part of our western program here as well, and really does it all from railwork to patterns to trails! He has so much potential and would do any job asked of him. Don't miss out on this perfect family horse!
