Hip #38 - Oliver
2018 Draft Cross Gelding

Hip No.
38

NOTES: Trained by Danielle Martin: This flashy, 2018 paint draft cross gelding has a kind, and quiet disposition both on the ground and under saddle. He is always up for learning something new as he is very smart, willing, and aims to please his rider. He loves to ride both in and out of the arena. He is a regular trailblazer as he loves to be in the lead and crosses water. He has lovely, floaty movement at all gaits which makes him a pleasurable riding horse. He has also taken well to ground driving and would make a lovely cart horse with further training. He stands 15hh and weighs around 1365 lbs. This gelding is bound to turn heads wherever you wish to take him.
