18 Year Old Grade Morgan Mare

NOTES: Laverne is a been there, done that horse. She has been used at UWRF for all the English-type classes and is a great horse to learn from! This mare has been shown in both the Western and English IHSA shows hosted at River Falls and consistently helps her riders place at the top. Laverne is used for jumping as well. She truly takes care of her rider. If you are looking for a smooth-as-butter horse, take this loving mare home today!
